

REPRESENTATIVE INFORMATION GUIDE

BACKGROUND & HISTORY

Since 1974, AWFA has proudly administered a successful Representative Program, featuring teams from U10 to U16. Each year, more than 250 talented players are selected through a comprehensive trial process held between September - October

Our Representative Program provides players with opportunities to further their footballing careers, offering access to elite coaching and development right here in the Albury-Wodonga area. Our teams compete in various prestigious tournaments across New South Wales and Victoria, including events in Bathurst, Geelong, and Shepparton. These competitions give players valuable exposure and the chance to showcase their skills in some of the country's most prominent regions.

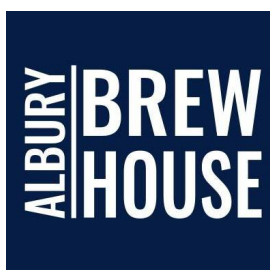

With the development of new and improved local facilities, such as the state-of-the-art Baranduda Fields completed in 2024, we anticipate hosting more high-profile tournaments in Albury-Wodonga in the coming years.

A highlight of our program is the annual Representative Dinner and Gala Day, a special event where players and their families come together to celebrate the season's achievements and strengthen our community bonds.

To make participation as accessible as possible, AWFA seeks new sponsors at the start of each representative season, inviting parents and community members to explore our available sponsorship packages. Through these valuable partnerships, we can offset program costs, providing new uniforms included in the program fee and ensuring no additional cost to families for a level playing field.

PLAYER SELECTION

In preparation for the Representative season (commencing in December), AWFA teams will hold trials across September and October. These trials will run over three weekends and include a mix of training sessions and games.

At the conclusion of the trials, each coach—together with their selection panel—will name their final squad. Selection is based on player performance and overall suitability.

Coaches must submit their final squad to the High Performance Executive Committee Member within 48 hours of the last session. Once confirmed, AWFA will publish the team lists on the website and official social media channels.

PLAYERS REQUIREMENTS

Once teams are published, selected players are required to confirm their acceptance by notifying their coach and completing the online registration.

A \$150 non-refundable acceptance fee must be paid at this time, which will be deducted from the final Representative fee.

Players are expected to attend all training sessions. If a player is unavailable, they must provide written notice explaining their absence (e.g. injury, medical certificate, family reasons, or higher-level training/competition).

Failure to communicate absences may impact a player's selection in the AWFA Representative program.

AFTER SELECTION

Team selections will be announced shortly after the conclusion of all Representative team trials. These teams will be announced via social media and our website www.awfa.asn.au.

Players can also be selected as a 'Train-On' player, a train-on player is still involved with the representative team they trialled for, however they will act as a 'reserve' for tournaments and games. Any additional gear can be purchased at player's expense.

If a selected member of the Representative team cannot fulfill their commitments, or wishes to not be involved in the team, these players will be the next selected (at the discretion of the coach).

Your coach and team manager will be in contact shortly after the team selections are announced to inform you of the next steps. This includes all forms to be signed and returned, information on training and communications, uniform requirements, and registrations.

The registration fee can be paid in four installments. A non-refundable deposit of \$150.00 upon accepting of selection is required, and the remaining balance is due in January, March and the final payment in May.

Players will register as they do with their AWFA club, through PlayFootball, selecting AWFA Representative as the club - you are able to use Active Kids vouchers to register. A link with packages will be sent out via the manager.

TRAVEL & ACCOMMODATION

Travelling and booking of accommodation if/when required for tournaments throughout NSW, Victoria and the ACT is the responsibility of the individual i.e. a player and their family/guardian, a coach, a manager, a volunteer.

AWFA may subsidise travel for those who transport AWFA equipment to and from tournaments – this is up to the discretion of the Executive Committee.
